

DEPUTY EXECUTIVE DIRECTOR

Patricia Wells

1619 Harrison Street
Oakland, CA 94612
(510) 874-1516
pwells@oakha.org

Patricia Wells brings 17 years of public administration and non profit executive level management experience to her role as Deputy Executive Director. She joined OHA in 1998, after being the Associate Director for Habitat for Humanity International - West Region, and the Senior Policy Coordinator and Analyst as a Mayoral appointee with the Department of Consumer and Regulatory Affairs in Washington D.C.

While with OHA she has held progressively responsible roles in some of the Authority's key initiatives, most recently as the Director of Resident and Community Services, and the Director of Property Operations during difficult and transformative times. She was appointed the Acting Deputy Executive Director for Property Operations in November of 2010 and awarded the position in July 2011. She brings to our Leadership Team excellent communications skills, strong inter-governmental and community building expertise, a true community building and stakeholder engagement perspective, as well as our own unique OHA historical experience to the position.

Patricia enjoys continuing her passionate support for the community and environment as she and her family volunteer to support Children's Fairyland, Lake Merritt, Oakland Parks, the Alameda County Food Bank, Jack London Estuary, the Monterey Bay, local zoos and schools.
