MEMORANDUM

To: Board of Directors

From: Patricia Wells, Executive Director

Subject: Resolution Making Findings Authorizing Continued Remote Teleconference Meetings of the Board of Commissioners Pursuant to Brown Act Provisions, as amended by Assembly Bill Number 361

Date: February 21, 2023

Purpose: This action will authorize continued remote teleconference meetings of the Board of Commissioners pursuant to Brown Act Provisions, as amended by Assembly Bill Number. 361.

Funding: No funding is required.

Background:

On March 17, 2020, Governor Newsom issued Executive Order N-29-20, which allowed for relaxed provisions of the Ralph M. Brown Act (Brown Act) for legislative bodies to conduct meetings through teleconferencing without having to meet the strict compliance of the Brown Act. All provisions of Executive Order N-29-20 concerning the conduct of public meetings via teleconferencing expired on September 30, 2021. On October 25, 2021 through Resolution Number 4997 and in compliance with Assembly Bill 361 (Chapter 165, Statutes of 2021) (AB 361), the Board of Commissioners ratified the proclamation of a state of emergency and made findings, which authorized continued remote teleconference meetings.

On March 29, 2022, The Board of Directors adopted Resolution Number 22-001 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On April 29, 2022, The Board of Directors adopted Resolution Number 22-005 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On May 27, 2022, The Board of Directors adopted Resolution Number 22-006 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On June 30, 2022, The Board of Directors adopted Resolution Number 22-010 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On July 22, 2022, The Board of Directors adopted Resolution Number 22-012 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On August 25, 2022, The Board of Directors adopted Resolution Number 22-014 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On September 29, 2022, The Board of Directors adopted Resolution Number 22-015 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On October 27, 2022, The Board of Directors adopted Resolution Number 22-022 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On November 21, 2022, The Board of Directors adopted Resolution Number 22-023 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On December 19, 2022, The Board of Directors adopted Resolution Number 22-026 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

On January 20, 2023, The Board of Directors adopted Resolution Number 23-001 within the thirty-day period, which made findings to continue remote teleconference meetings pursuant to Brown Act provisions, as amended by AB 361.

Discussion:

Assembly Bill 361(Chapter 165, Statutes of 2021) (AB 361) was signed into law by the Governor on September 16, 2021, and went into effect immediately. It amends the Brown Act to allow local legislative bodies to continue using teleconferencing and virtual meeting technology after the September 30, 2021 expiration of the current Brown Act exemptions as long as there is a "proclaimed state of emergency" by the Governor. This allowance also depends on state or local officials imposing or recommending measures that promote social distancing or a legislative body finding that meeting in person would present an imminent safety risk to attendees. Though adopted in the context of the pandemic, AB 361 will allow for virtual meetings during other proclaimed emergencies, such as earthquakes or wildfires, where physical attendance may present a risk. AB 361 will sunset on January 1, 2024.

AB 361 requires the following to continue to conduct teleconferenced meetings:

1. Notice of the meeting must still be given in compliance with the Brown Act, and the notice must include the means by which the public may access the meeting and provide public comment remotely.
2. The public must be provided access to the meeting via a call-in option or internet-based service option and allowed to “address the legislative body directly.” RAMP Housing, Inc. does not have to provide an in-person option for the public to attend the meeting.
3. The meeting must be conducted “in a manner that protects the statutory and constitutional rights of the parties and the public appearing before the legislative body.”
4. If there is a disruption to the meeting broadcast or in the ability to take call-in or internet-based public comment, no further action can be taken on agenda items until the issue is resolved, even if this means stopping the meeting at that point and continuing all remaining items.
5. The Board of Directors cannot require comments to be submitted before the start of the meeting. The public must be allowed to make “real time” public comment.
6. Reasonable time for public comment must be provided. If the Board provides a timed public comment period, the public comment period must be left open until the time expires.
7. All votes must be taken by roll call.
8. The Board of Directors must approve a resolution making findings by majority vote within 30 days of the first teleconferenced meeting under AB 361 and every 30 days thereafter to continue to conduct teleconference meetings under AB 361. The body must find it has reconsidered the circumstances of the state of emergency and either 1) the emergency continues to impact the ability to meet safely in person, or 2) State or local officials continue to impose or recommend social distancing.

In light of AB 361, the continuing COVID-19 State of Emergency declared by the Governor, the continuing Local Emergency declared by the City of Oakland, the continuing recommendations by the County of Alameda Health Officer of social distancing as a mechanism for preventing the spread of COVID-19, and the continued threats to health and safety posed by indoor public meetings, staff recommends the Board of Directors adopt the proposed Resolution making the findings required to initially invoke AB 361.

The procedures currently set up for Board of Directors' meetings, which provide public attendance and comment through a call-in or internet-based service option, satisfy the requirements of AB 361. The Executive Director, or designee, will work with the Board to ensure that meeting procedures for all teleconferenced meetings comply with AB 361. Continued reliance will require the Board of Directors to adopt a new resolution making required findings every 30 days.

Recommended Action:

It is recommended that the Board of Directors adopt a resolution making findings authorizing continued remote teleconference meetings of the Board of Directors pursuant to Brown Act provisions, as amended by Assembly Bill Number 361.
