About the Survey

The results of this survey will be combined with those of others to give us an overall picture of the service we provide, in order to identify both strong and weak areas of our performance. This survey is not intended to solicit commendations or complaints regarding employees. Your comments will not be used as the basis for issuing an award or for disciplining an employee. If you feel, however, that the actions of any employee warrant a commendation, or if you would like to file a formal complaint, please contact our office to discuss the matter with a supervisory employee.

About the Oakland Housing Authority

The Oakland Housing Authority was established in 1938 to provide low-cost housing. The Authority owns and maintains over 260 sites throughout the city. This represents approximately 3,000 units, with a service population of approximately 12,000 residents.

The OHAPD provides police services that complement the efforts of the Oakland Police Department to combat crime that occurs on and around Housing Authority property. The OHAPD is certified by the Commission on Peace Officer Standards and Training (POST), and in March 1999 became the seventh law enforcement agency in the state to be nationally accredited by the Commission on Accreditation for Law Enforcement Agencies (CALEA).
