1.3 **The Authority Information**

The Oakland Housing Authority was established in 1938 to assure the availability of quality housing for low-income persons. The Authority operates federally funded and other low-income housing programs and assists over 16,000 of Oakland's lowest-income families, elderly and persons with disabilities. The Authority serves and embodies a diverse community; therefore, it is crucial that contractors understand the effects of race, class, ethnicity, income, and other issues of difference in our society, and display a high level of cultural competency throughout their interactions with the Authority.

The mission of the Oakland Housing Authority is:

To assure the availability of quality housing for low-income persons and to promote the civic involvement and economic self-sufficiency of residents and to further the expansion of affordable housing within Oakland.

OHA also has a goal of promoting growth and development of small businesses (which includes minority, women-owned and veteran-owned firms). OHA is committed to having a diversified vendor base. 4.4 Selection Process

All responses will be reviewed for completeness and responsiveness. Proposals will be reviewed, and the most qualified Proposers may be required to be interviewed by a selection committee that will complete a final evaluation. The selection will be the sole responsibility of the Authority. The Authority reserves the right to reject any and all proposals, and shall select a service provider based on the most advantageous conditions for the Authority.

A. Initial Evaluation for Responsiveness

Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The OHA reserves the right to reject any proposals deemed by the OHA not minimally responsive and to waive any minor informalities they deem so (the OHA will notify such companies in writing of any such rejection).

B. Evaluation Committee

Internally, an Evaluation Packet will be prepared for each Evaluator. The OHA anticipates that it will select a minimum of three (3) people to serve on a committee to evaluate each of the responsive proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any Evaluation Committee Member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As indicated in this document, the designated CCGS Staff is the only person at the OHA that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

C. Evaluation

All responses to this RFP that meet the submittal requirements will be evaluated by a review panel. The evaluation committee will identify a short-list of the best qualified proposers scoring within the competitive range (scoring 80 points and higher). The short-list of proposers may be

asked to participate in interviews/scripted demonstrations. The reference check will consist of phone and/or email inquiries of current or past customers of proposer – either provided by the proposer for reference or contacted independently by OHA. Upon completion of the interview, demonstration, and reference checks, OHA will select a finalist with whom to begin final negotiations of a contract to be taken to the OHA Board of Commissioners for approval (if applicable).

Submittal of a proposal does not guarantee that a proposer will be asked to interview/demonstrate; the proposer must score within the competitive range. Attendance at any such interview/demonstration will be at the proposer's expense.

- D. **Potential “Competitive Range” and “Best and Finals” Negotiations**
The OHA reserves the right to conduct “Best and Finals” negotiations, which may include oral interviews with all companies deemed to be in the competitive range (scoring 80 points or higher). Any company deemed not to be in the competitive range shall be notified of such, in writing, by the OHA in as timely a manner as possible.
1. **Determination of Top Ranked Proposer**
All points are awarded by the Evaluation Committee. The Committee's scores (points) will determine the final ranking. The final ranking is then typically forwarded by CCGS to the Executive Director for approval. If the evaluation was performed to the satisfaction of the Executive Director, the final ranking may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval (if applicable). Contract negotiations may, at the OHA's option, be conducted prior to or after the BOC approval.
 2. **Restrictions**
All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the Evaluation Committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the Evaluation Committee.

4.5 Evaluation Criteria

The following criteria will be used to evaluate all Proposals:

Proposals should contain specific methods and techniques that the proposer will use and sufficient information to enable OHA to properly evaluate the qualifications of the proposer and any sub-contractors.

The Proposer(s) selected must be fully qualified to perform the services described above and must possess the appropriate licensing. In addition, as the work is funded with U.S. Department of Housing and Urban Development (HUD) funds, any required documents generated by the Proposer and/or the Authority must comply with all applicable HUD Regulations specified in HUD-5370-C General Conditions of the contract for non-construction. The company must also comply with all the Authority contract requirements.

Prior to award, the *successful proposer* will be required to provide the proper license documents and insurance certificates. See **The Authority Insurance Requirements** under *Attachment section of the Table of Contents*.

All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.

5.2 Contract Award

- A. Negotiations.** Once Proposals have been evaluated and ranked, the Authority may use the contract negotiation process to obtain the most highly qualified Proposer(s) at a fair and mutually agreed-to price. The proposed Contract will include tasks with a Scope of Services and a Fee-Schedule.

The Authority reserves the right to enter into discussions with the companies whose Proposal is deemed most advantageous and in the Authority's best interest for the purpose of negotiations. The Authority reserves the right to enter into negotiations with the responsible and responsive companies within the competitive range without the need to repeat the formal solicitation process.

The Authority reserves the right to award without discussions.

- B. Meetings.** Once the Contract is awarded, the Contractor(s) will meet with the Project Manager for this RFP and key staff to discuss the needs, method, and timeline of this requirement/service.
- C. Contract Award Procedure:** If a Contract is awarded pursuant to this RFP, the following detailed procedures will be followed:
1. By completing, executing and submitting a Proposal, the proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the Authority, including the Contract clauses already attached in the 'Sample Contractor Agreement' under the Attachment section of the Table of Contents. Accordingly, the Authority has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

5.3 Contract Conditions

The following provisions are considered mandatory conditions of any Contract Award made by the Authority pursuant to this RFP:

1. **Contract Form:** The Authority will not execute a Contract on the successful Proposer's Form. Contracts will only be executed on OHA's Form (please see **Sample Contract Agreement**) and by submitting a Proposal the successful proposer agrees to do so (please note that the Authority reserves the right to amend this form as OHA deems necessary). However, the Authority will, during the question and answer period (request must be submitted before the question deadline) consider any Contract clauses that the proposer wishes to include therein and submits in writing a request for OHA to do so. **IF THE PROPOSED CLAUSES ARE NOT ACCEPTED BY THE AUTHORITY, THEN THE PROPOSER MUST EXECUTE THE CONTRACT FORM AS IS.** Failure of the Authority to include such clauses does not give the successful proposer the right to refuse to execute OHA's Contract Form. It is the responsibility of each prospective proposer to notify OHA, in writing, before the question deadline, of any Contract clause that

they are not willing to include and abide by in the final executed Contract. OHA will consider and respond to such written correspondence in the Addendum, and if the prospective proposer is not willing to abide by OHA's response (decision), then that prospective proposer shall be deemed ineligible to submit a Proposal.

Please note: OHA has no legal right or ability to (and will not) at any time, negotiate any clauses contained within ANY of the HUD Forms included as a part of this RFP.

2. **Assignment of Personnel:** The Authority shall retain the right to demand and receive a change in personnel assigned to the work if the Authority believes that such change is in the best interest of the Authority and the completion of the contracted work.
3. **Unauthorized Sub-Contracting Prohibited:** The Proposer shall identify hereunder whether or not he/she intends to use any subcontractors for this job, if awarded, and/or if the Proposal is a joint venture with another company. The successful Proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the Contract) without the prior written consent of the Authority. Any purported assignment of interest or delegation of duty without the prior written consent of the Authority shall be void and may result in the cancellation of the Contract with the Authority, or may result in the full or partial forfeiture of funds paid to the successful Proposer as a result of the proposed Contract; either as determined by the Authority.

5.4 **Contract Terms**

The Authority intends to enter into a three-year agreement with the selected contractor, with two one-year renewable option terms.

Contractor's Summary Guide to Section 3 Compliance

The purpose of Section 3 of the Housing and Urban Development Act of 1968 as amended (12 U.S.C. 1701u) (section 3), and 24 CFR Part 135, is to ensure that training, employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing federal, state and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns, which provide economic opportunities to low- and very low-income persons." **For the complete text of the Section 3 regulations, visit www.hud.gov/section3.**

Oakland Housing Authority's Section 3 Economic Opportunities Policy (included in bid documents)

Oakland has one of the highest unemployment rates in the Bay Area. Oakland Housing Authority (OHA) residents make up over 10% of Oakland's population. OHA developed its **Economic Opportunities Policy** (EOP) to comply with the Housing and Urban Development (HUD) Section 3 regulations and ensure that, to the greatest extent feasible, economic opportunities are provided to low- and very low-income persons and to Section 3 business concerns within the city of Oakland. All contractors undertaking Section 3 covered projects and activities on behalf of OHA are expected, to the greatest extent feasible, to meet the numerical goals set forth below. The policy does not apply to contractors who furnish only materials or supplies and do not undertake installation of materials or supplies. The **EOP** is also available from OHA's website www.oakha.org/procurement/sec3EcoOpportPolicy.pdf.

Section 3 Requirement for All Bidders

As part of the application or bidding process, a Section 3 Business Preference and Action Plan are included in bid documents. Contractors have the option to request Certification as a Section 3 business; however, every proposer **MUST** complete the Action Plan and submit it with their bid, even if no hires are projected.

Certification for Business Seeking Section 3 Business Preference form: Everyone must complete the top portion (check one box, name of business etc.) and sign at the bottom. Fill in the other parts **ONLY** if you are claiming Section 3 business status.

Action Plan (3 pages): Everyone must complete the top portion listing your company etc., where applicable, and sign every page. If you **do not** anticipate new hires, note that in the table on page 1 and 3. If you **do** anticipate new hires, then use page 1 to detail the job categories and page 3 to describe how you will fill those positions.

Section 3 Requirements for Awardees

Baseline Reporting and Hiring Projections Form

Prior to the Notice to Proceed, the contractor/subcontractor will be responsible for documenting the current workforce (baseline) and providing more accurate hiring projections per job classification than those described in the Action Plan. The Plan that is approved will become part of the contractual agreements.

Hiring Goals

The Section 3 requirement is triggered when there is a need for **new** economic opportunities, such as individual employment, contracting, or subcontracting. The regulation requires that contractors and subcontractors provide, **to the greatest extent feasible**, economic opportunities (training, employment, and contracting) to low and very-low income residents Section 3 businesses.

Contractors and subcontractors are required to make every effort to the greatest extent feasible to meet the OHA's numerical hiring goals of having Section 3 qualified employees make up **30% of their total new-hires**. **Firms must seek to maintain this percentage throughout the life of the project.** If these goals are not met, the contractors are expected to show documentation demonstrating their efforts to hire Section 3 candidates by exhausting all available hiring sources. While a contractor receives credit for hiring low-income residents of Oakland, **first priority should be given to residents of the Oakland Housing Authority.** This includes residents in both the public housing and Section 8 programs.

Hiring Priorities

First priority (OHA residents): Residents of the development where the work is being performed
Second priority (OHA residents): Other residents of Oakland Housing Authority owned or managed properties
Third priority (Oakland residents): Other residents within the city of Oakland that meet the low-income requirements (see definition of **Section 3 Resident** below).

Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. Therefore, we have established a pre-screening and referral process to identify qualified OHA residents who satisfy the first and second hiring priorities (above). This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

Union Contractors: OHA's Family and Community Partnerships department (FCP) has established a list of current OHA residents in construction trade unions that is sent to contractors on a regular basis. If there is no candidate that meets your hiring needs, you are encouraged to consider sponsoring an OHA resident who is not a member of a trade union to meet your Section 3 hiring goals.

Please contact **OHA's Dan Abrami at 510.587.5127 or dabrami@oakha.org** for a list of qualified residents, to request a candidate, or verify the Section 3 eligibility of any prospective hire. For more information about providing economic opportunities to OHA resident's contact:

General contractors and subcontractors will be provided this form upon award. Every **new hire** should be requested to complete the form. The form provides the means to determine Section 3 eligibility of the employee. The forms should be submitted to OHA as soon as possible after hiring for verification of Section 3 status.

Monthly Reports

OHA requires monthly reports listing all new hires and Section 3 hires from all contractors and subcontractors on Section 3 covered projects. A sample report will be provided. Reports shall be due on the fifth day of each month for the preceding month. These reports shall be submitted to:

Rufus Davis, Labor and Section 3 Compliance Officer

Phone: 510.587.2176

Email: rdavis@oakha.org

Record Maintenance and Documentation

All projects and activities that are subject to Section 3 requirements shall maintain comprehensive documentation of their Section 3 outreach efforts and implementation activities. Section 3 documentation files should be clearly maintained and be available for review by Oakland Housing Authority and/or HUD officials.

Compliance Reviews

OHA staff will conduct regular compliance reviews, which consist of comprehensive analysis and evaluation of the contractor's compliance with Section 3. Where noncompliance is found, OHA will notify the contractor of the deficiency and make recommendations for corrective actions.

“Greatest Extent Feasible”

For instance, this may mean going a step beyond normal notification procedures for employment and contracting opportunities by developing strategies that will specifically target Section 3 residents and businesses for these new economic opportunities.

Household Income Levels

Low and very-low income limits are determined annually by HUD. These limits are typically established at 80 percent and 50 percent of the median income for each locality by household size or number of people residing in one house. HUD income limits can be obtained from www.huduser.org/portal/datasets/il.html.

New Hire

A new hire means a full-time employee for a new permanent, temporary, or seasonal position that is created as a direct result of the expenditure of federal funds on Section 3 covered projects. Any employee that is not on the payroll of a contractor or developer on the day [i.e., that a purchase order is issued or the day a contract is signed or agreed upon] that the Section 3 covered assistance was provided, is considered a new hire.

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

OHA ECONOMIC OPPORTUNITIES POLICY

Oakland Housing Authority Economic Opportunities Policy

Background:

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C, 1701U (hereinafter referred to as "Section 3") requires that economic opportunities generated by certain U.S. Department of Housing and Urban Development financial assistance for housing and community development programs shall, to the greatest extent feasible, be given to low - and very low-income persons, particularly those who are recipients of government assistance for housing, and to businesses that provide economic opportunities for these persons.

The U.S. Department of Housing and Urban Development's regulations implementing Section 3 are found at 24 CFR Part 135. It is the intent of OHA policy to comply fully with Section 3; and by publication of this policy, the OHA provides direction for application of this policy.

This policy shall remain in effect for all covered activities so long as this policy remains consistent with federal regulations or until changed by the Authority. . In any case where it is found that any provision of this policy or of a procedure or program undertaken in furtherance of this policy is found to be inconsistent with Section 3 or 24 CFR Part 135, Section 3 or 24 CFR Part 135 shall prevail.

Policy Statement:

It is the policy of the Oakland Housing Authority to provide to the greatest extent feasible economic opportunities to low- and very low-income persons residing in Oakland metropolitan area (as defined in § 135.5 of 24 CFR Part 135 and to businesses meeting the definition of "Section 3 business concern" as defined by 24 CFR Part 135.

- **Determining Income Levels:**
- Low income is defined as 80% or below the median income of that area.
- Very low income is defined as 50% or below the median income of that area.

(Income Limits are subject to change. Current Income Limits may be accessed on the OHA website at www.oakha.org.)

Section 3 business concern is a business that:

- Is 51 percent or more owned by Section 3 residents;
- Whose permanent, full-time employees include persons, at least 30% of whom are currently section 3 residents, or within three years of the date of first employment with the business concern were section 3 residents; or
- Provides evidence of a commitment to subcontract to Section 3 business concerns, 25 percent or more of the dollar amount of the awarded contract.

In furtherance of this policy the Oakland Housing Authority shall develop programs and procedures necessary to implement this policy covering all procurement contracts where labor and/or professional services are provided, in order to achieve the goals outlined below. This policy does not apply to routine maintenance, repair or replacement work using HUD housing and community development assistance for housing rehabilitation; nor does it apply to contractors who only furnish materials or supplies

through OHA's procurement program, and do not undertake work, as in the installation of the material or equipment. All covered contracts executed after the adoption of this policy must comply with this policy.

Goals:

All contractors undertaking Section 3 covered projects and Section 3 covered activities on behalf of the Oakland Housing Authority are expected to meet the requirements of Section 3. Any contractor (whether or not it meets the definition of a Section 3 business), shall demonstrate compliance with the "greatest extent feasible" requirement of Section 3, must meet the numerical goals set forth below for providing training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns. In meeting the goals, contractors are to apply a system of priority selection from among those Section 3 residents eligible pursuant to § 135.34, 24 CFR Part 135:

First priority - residents of the development where the work is to be performed.

Second priority - other residents of Oakland Housing Authority properties.

Third priority - other residents of Oakland who are participants of HUD Youth build programs being carried out in the City of Oakland.

Fourth priority - other persons from the Oakland metropolitan area who meet the definition of Section 3 resident contained in § 135.5 of 24 CFR Part 135.

Employment:

All contractors will seek the greatest extent feasible to achieve a level of 30% of all new hires to be low to very low-income residents of the Oakland metropolitan area.

Preference for Section 3 business concerns:

It is OHA's policy to conduct all procurement transactions in a competitive manner. Within this framework, preference shall be awarded to Section 3 business concerns according to the following system:

Small Purchases:

For Section 3 covered contracts aggregating no more than \$100,000, the Authority shall follow its small purchase procedures as outlined in its procurement policy. *Small Purchases require at least 3 competitive quotes. Purchases under \$2,000 (also known as Micro Purchases) do not require competitive quotes.*

Competitive (Sealed) Bids (IFBs): (IFB=Invitation For Bids)

Where the Section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified Section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified Section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

1. Bids shall be solicited from all businesses (Section 3 business concerns and non Section 3 business concerns). An award shall be made to the qualified Section 3 business concern with the highest priority ranking (as defined in 24 CFR Part 135) and with the lowest responsive bid if that bid:
 - A. is within the maximum total contract price established in the Authority's budget for the specific project for which bids are being taken; and
 - B. is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

X = lesser of:

When the lowest responsive bid is less than \$100,000 . . . 10% of that bid or \$9,000

When the lowest responsive bid is:

At least \$100,000, but less than \$200,000 . . . 9% of that bid or \$16,000

At least \$200,000, but less than \$300,000 . . . 8% of that bid or \$21,000

At least \$300,000, but less than \$400,000 . . . 7% of that bid or \$24,000

At least \$400,000, but less than \$500,000 . . . 6% of that bid or \$25,000

At least \$500,000, but less than \$1 million . . . 5% of that bid or \$40,000

At least \$1 million, but less than \$2 million . . . 4% of that bid or \$60,000

At least \$2 million, but less than \$4 million . . . 3% of that bid or \$80,000

At least \$4 million, but less than \$7 million . . . 2% of that bid or \$105,000

\$7 million or more . . . 1 1/2% of the lowest responsive bid, with no dollar limit.

2. If no responsive bid by a Section 3 business concern meets the requirements of paragraph 1 of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.
3. In both paragraph 1 and 2 above, a bidder, to be considered as responsible, must demonstrate compliance with the "greatest extent feasible" requirement of Section 3.

Competitive Proposals (RFP) (*RFP=Request For Proposals*)

Where the Section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. In accordance to 24CFR135, the rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating systems. Proposals from firms not demonstrating compliance with the "greatest extent feasible" requirement of Section 3 shall not be considered responsible.

In accordance to 24 CFR Part 135.36, Appendix Section III(3)ii:

“(3) Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).

- (i) *For contracts and subcontracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.*
- (ii) *(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.”*
- (iii) *With regard to the section 3 strategy, the RFP shall require the disclosure of the contractor’s section 3 strategy to comply with the Section 3 training and employment*

preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy.
