1.3 Oakland Housing Authority Background and Information

Oakland Housing Authority was established on April 28, 1938, to provide low-income residents of the City of Oakland with access to federally-subsidized affordable housing.

The Authority is engaged in affordable housing development with a number of sites in development. Development activities are carried out directly, and through a variety of affiliates and partnerships.

The Authority is federally funded and regulated primarily under the U.S. Housing Act of 1937 as amended. The majority of our funding is governed by HUD Regulations. The Authority was selected to be a “Moving to Work” (MTW) Housing Authority by the U.S. Department of Housing and Urban Development (HUD) and enter into an MTW Agreement in 2004. The Agreement has since been amended extending the MTW Agreement to 2028.

The Authority is governed by a seven-member Board of Commissioners appointed by the Mayor of the City of Oakland, with the approval of the Oakland City Council. The Executive Director, who reports to the Board of Commissioners, has a budgeted staff of approximately 371 employees in seven major divisions: The Office of the Executive Director, including the Departments of Human Resources and Police Services, the Office of Real Estate Development, the Office of Finance and Program Administration, and the Office of Property Operations, which includes the Housing Choice Voucher (Section 8), Public Housing, and Resident Services Programs.

The Authority’s employees are housed at six separate facilities, all located within the city of Oakland: 1619 Harrison Street, 1801 Harrison Street, 1180 25th Avenue, 935 Union Street, 1540 Webster Street, and 1327 65th Avenue.

4.4 Selection Process

All responses will be reviewed for completeness and responsiveness. Proposals will be reviewed, and the most qualified Commercial Brokers may be required to be interviewed by a selection committee that will complete a final evaluation. The selection will be the sole responsibility of the Authority. The Authority reserves the right to reject any and all proposals, and shall select a service provider based on the most advantageous conditions for the Authority.

A. Initial Evaluation for Responsiveness

Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The OHA reserves the right to reject any proposals deemed by the Authority not minimally responsive and to waive any minor informalities they deem so (the Authority will notify such firms in writing of any such rejection).

B. Evaluation Committee

Internally, an Evaluation Packet will be prepared for each Evaluator. The Authority anticipates that it will select a minimum of three (3) people to serve on a Committee to evaluate each of the responsive proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any Evaluation Committee Member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As indicated in this document, the designated CCGS staff is the only person at the Authority that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.

C. **Evaluation**

The appointed Evaluation Committee, independent of CCGS, shall evaluate the responsive Proposals submitted and award points pertaining to the Evaluation Criteria listed in section 4.5.

D. **Potential “Competitive Range” and “Best and Finals” Negotiations**

The Authority reserves the right to conduct “Best and Finals” Negotiations, which may include oral interviews with all firms deemed to be in the competitive range. The competitive range is considered a score of 80 and above. Any firm deemed not to be in the competitive range shall be notified of such, in writing, by the Authority in as timely a manner as possible.

1. **Determination of Top Ranked Proposers**

All points are awarded by the Evaluation Committee. The Committee’s scores (points) will determine the final ranking. The final ranking is then forwarded by CCGS to the Executive Director for approval. If the evaluation was performed to the satisfaction of the Executive Director, the final ranking may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval if applicable. Proposals receiving a score of 80 or above may be awarded a contract. Contract negotiations may, at the OHA's option, be conducted prior to or after the BOC approval.

2. **Restrictions**

All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the Evaluation Committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the evaluation committee.

4.5 Evaluation Criteria. The following criteria will be used to evaluate all proposals and the competitive range will be a score of 70 and above:

No.	Criteria	Points
1.	<u>Demonstrated Experience and Past Performance:</u> Commercial Broker’s demonstrated experience and past performance as described in Section 3.1B.	50
2.	<u>Technical Capabilities:</u> Technical, financial, and management capabilities and capacities as described in Section 3.1C.	30
3.	<u>Proposed Cost:</u> Proposed compensation structure including commission rates and hourly rates which are reasonable according to industry standards and acceptable to the Authority. <i>The Evaluation Committee will use the average commission rate and hourly rate to award points for cost.</i>	20
	Total	100

5. CONTRACT REQUIREMENTS

5.1 Commercial Broker Requirements

The Commercial Broker(s) selected must be fully qualified to perform the services described above and must possess the appropriate licensing. In addition, as the work is funded with U.S. Department of Housing and Urban Development (HUD) funds, any required documents generated by the Commercial Broker and/or the Authority must comply with all applicable HUD Regulations specified in HUD-5370-C General Conditions of the contract for non-construction. The firm must also comply with all the Authority Contract requirements.

Prior to award, the successful Proposer will be required to provide the proper license documents and insurance certificates. See **The Authority Insurance Requirements** under *Attachment section of the Table of Contents*.

All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.

5.2 Contract Award

A. Negotiations. Once proposals have been evaluated and ranked, the Authority may use the contract negotiation process to obtain the most highly qualified Commercial Broker(s) at a fair and mutually agreed-to price. The proposed Contract will include tasks with a Scope of Services and a Fee-Schedule.

The Authority reserve the right to enter into discussions with the firm(s) whose proposal is deemed most advantageous and in the Authority's best interest for the purpose of negotiations. The Authority reserve the right to enter into negotiations with the responsible and responsive firms within the competitive range without the need to repeat the formal solicitation process.

The Authority reserve the right to award without discussions.

- B. Meetings.** Once the Contract is awarded, the Commercial Broker(s) will meet with the Project Manager for this RFP and key staff to discuss the needs, method, and timeline of this requirement/service.
- C. Contract Award Procedure:** If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:
 - 1. By completing, executing and submitting a proposal, the proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the Authority, including the contract clauses already attached in the 'Sample Contractor Agreement' under the Attachment section of the Table of Contents. Accordingly, the Authority have no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

5.3 Contract Conditions

The following provisions are considered mandatory conditions of any Contract award made by the Authority pursuant to this RFP:

- 1. **Contract Form:** The Authority will not execute a Contract on the successful proposer's form. Contracts will only be executed on the Authority's form (please see **Sample Consultant Agreement**) and by submitting a Proposal the successful Proposer agrees to do so (please note that the Authority reserve the right to amend this form as Authority deems necessary). However, the Authority will, during the question and answer period (request must be submitted before the question deadline) consider any Contract clauses that the proposer wishes to include therein and submits in writing a request for Authority to do so. **IF THE PROPOSED CLAUSES ARE NOT ACCEPTED BY THE AUTHORITY, THEN THE PROPOSER MUST EXECUTE THE CONTRACT FORM AS IS.** Failure of the Authority to include such clauses does not give the successful proposer the right to refuse to execute Authority's Contract form. It is the responsibility of each prospective proposer to notify the Authority, in writing, before the question deadline, of any contract clause that he/she is not willing to include and abide by in the final executed Contract. Authority will consider and respond to such written correspondence in the Addendum, and if the prospective proposer is not willing to abide by Authority's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

Please note: OHA have no legal right or ability to (and will not) at any time, negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.

2. **Assignment of Personnel:** The Authority shall retain the right to demand and receive a change in personnel assigned to the work if the Authority believes that such change is in the best interest of the Authority and the completion of the contracted work.
3. **Unauthorized Sub-Contracting Prohibited:** The successful proposer(s) shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the Contract) without the prior written consent of the Authority. Any purported assignment of interest or delegation of duty, without the prior written consent of the Authority shall be void and may result in the cancellation of the Contract with the Authority, or may result in the full or partial forfeiture of funds paid to the successful proposer(s) as a result of the proposed Contract; either as determined by the Authority.
4. **Cooperative Agreement for Affiliates:** The Authority may allow their non-profit affiliates to piggyback off of any contract procured by this RFP.

5.4 **Contract Terms**

The Authority intend to retain services from Broker(s) for up to five (5) years and will enter into Contracts on a project by project basis. The terms of the Contract will be negotiated at the time of the project and may be contingent on the length of the project.

Contractor's Summary Guide to Section 3 Compliance

A. Introduction and Summary

The Oakland Housing Authority (OHA) has established a policy whereby any contractor that transacts business with OHA must meet the requirements of OHA Section 3 Policy as outline in this document. This Section 3 Policy is required to be a flow down provision to each subcontract at every tier. This policy applies to all contracts valued over \$250,000.

This policy requires that employment and other economic opportunities generated by certain HUD financial assistance, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons.

This document serves to fulfill two (2) main objectives: 1) it contains program definitions, requirements, information on program assistance provided by OHA and 2) it outlines the Section 3 program compliance measures of OHA.

B. Definitions

Low-Income Person

A family (including single persons) whose income does not exceed 80% of the median income for the area, as determined by HUD, with adjustments for smaller and larger families (See OHA income eligibility chart).

Very Low-Income Person

A family (including single persons) whose income does not exceed 50% of the median family income for the area, as determined by HUD, with adjustments for smaller or larger families (See OHA income eligibility chart).

Section 3 Worker

A Section 3 worker is any worker who currently fits into, or when hired within the past five years fit into, at least one of the following categories:

1. The worker's income for the previous or annualized calendar year is below the income limit established by HUD
2. The worker is employed by a Section 3 business concern
3. The worker is a YouthBuild participant.

Section 3 Business Concern

A Section 3 business concern is any type of business (sole proprietorship, partnership, non-profit, corporation) that meets at least one of the following criteria, documented within the last six-month period:

1. At least 51 percent owned and controlled by low- or very low-income person;
2. Over 75 percent of the labor hours performed for the business over the prior three-month period are performed by Section 3 workers; or
3. A business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing

YouthBuild Program

YouthBuild is a community-based pre-apprenticeship program that provides job training and educational opportunities for at-risk youth ages 16-24 who have previously dropped out of high school.

YouthBuild participants learn vocational skills in construction, as well as in other in-demand industries that include health care, information technology, and hospitality. Youth also provide community service through the required construction or rehabilitation of affordable housing for low-income or homeless families in their own neighborhoods

Targeted Section 3 Worker

A Section 3 targeted worker is a Section 3 worker who:

- (1) is employed by a Section 3 business concern: or
- (2) currently fits or when hired fit at least one of the following categories, as documented within the past five years:
 - (i) A resident of OHA or Section 8-assisted housing;
 - (ii) A resident of other public housing projects or Section 8-assisted housing managed by a PHA that is providing the assistance; or
 - (iii) A YouthBuild participant.
- (3) A business at least 51 percent owned and controlled by current public housing residents or residents who currently live in Section 8-assisted housing.

Section 3 Project

Section 3 projects are housing rehabilitation, housing construction, and other public construction projects assisted under HUD programs that provide housing and community development financial assistance when the total amount of assistance to the project exceeds a threshold of \$250,000. The threshold is \$100,000 where the assistance is from the Lead Hazard Control and Healthy Homes programs. Section 3 applies, on a per project basis, to all OHA projects that are fully or partially funded with HUD funding.

C. OHA Section 3 Goals

There are two Section 3 Goals. One for **Section 3 Workers** and the other for **Section 3 targeted Workers**. For OHA the goal for Section 3 workers is set at *25 percent* or more of the total number of labor hours worked by all workers employed within OHA's fiscal year. The benchmark for **Targeted Section 3 workers** is set at *5 percent* or more of the total number of labor hours worked by all workers employed with public housing financial assistance within OHA's fiscal year. This means that the *5 percent* is included as part of the *25 percent* threshold.

D. Section 3 Plan

The Contractor is required to submit with their bid/proposal package a Section 3 Plan for OHA review and written approval. The Section 3 Plan will detail the processes to be implemented to ensure that the above Section 3 goals will be met. The plan should specify the number of positions expected to be created and what minimum qualifications and skills will be required in order to perform the positions. The plan should also address the Contractor's strategy for recruiting OHA residents for the available positions, which should include consultation with OHA's Section 3 Coordinator.

Qualitative processes to be included, but not limited to, in the Section 3 Plan are identified below. The HUD Section 3 website has additional educational resources and tools for developing the Section 3 Plan. The HUD website can be accessed at <https://www.hud.gov/section3/>.

E. Qualitative Processes for Section 3 Plan

The OHA Resident & Community Services Coordinator is the OHA's point of contact for assistance in identifying OHA's Section 3 and Targeted Workers.

Engaging in outreach efforts to generate job applicants who are Targeted Section 3 workers should but not be limited to the following.

- Providing training or apprenticeship opportunities.
- Providing technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).
- Providing or connecting Section 3 workers with assistance in seeking employment including: drafting resumes, preparing for interviews, and finding job opportunities connecting residents to job placement services.

- Holding one or more job fairs.
- Providing or referring Section 3 workers to services supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, childcare).
- Providing assistance to apply for/or attend community college, a four-year educational institution, or vocational/technical training.
- Assisting Section 3 workers to obtain financial literacy training and/or coaching.
- Engaging in outreach efforts to identify and secure bids from Section 3 business concerns.
- Providing technical assistance to help Section 3 business concerns understand and bid on contracts.
- Dividing contracts into smaller jobs to facilitate participation by Section 3 business concerns.
- Providing bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.
- Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.
- Outreach, engagement, or referrals with the state one-stop system as defined in Section 121(e)(2) of the Workforce Innovation and Opportunity Act.

F. Documenting and Reporting-Section 3 Plan

1. Contractor agrees to report the labor hours performed by Section 3 Workers for the work identified in each payment request. The reporting of Section 3 Worker hours, as prepared by the Contractor, must be approved in writing by OHA's Labor Compliance Officer.
2. The Contractor and its subcontractors shall provide all required compliance data with respect to Contractor's Section 3 Plan to OHA via LCP tracker software. The Contractor and its subcontractors shall be responsible for responding to any requests for data or information by the noted response due dates. The Contractor shall also be responsible for ensuring that all subcontractors have completed all requested items with complete and accurate information and that their contract information is current.

G. Compliance Reporting Systems

OHA utilizes LCPtracker in order to monitor the compliance requirements for Davis-Bacon, and Section 3 labor hour tracking policy requirements.

LCPtracker, is accessible to **ALL** OHA Prime Contractors (as well as Subcontractors) and each contractor is required to utilize the secure web-based systems for electronic submission of information related to Section 3 compliance.

H. Section 3 Calculations

Below are the formulas for calculating Section 3 and Target Workers. This formula will be utilized to validate that contractors have met OHA's Section 3 goals.

$\frac{\text{Section 3 Workers}}{\text{Total Labor Hours}} \geq 25\%$

$\frac{\text{Section 3 Target Workers}}{\text{Total Labor Hours}} \geq 5\%$

Note: Professional Service Contracts are not applicable to Section 3 requirements. However, if Section 3 goals are met by a Professional Service Contractor, the hours can be added in the numerator of the Section 3 calculation.

Resident Referral Process

OHA is committed to working with general contractors and subcontractors to help them reach their Section 3 goals. This process ensures that each candidate is in good standing with the housing authority and has a background that qualifies him/her to perform the essential functions of the job.

To ensure the best possible match, it is important that contractors communicate their hiring needs to OHA well in advance of the project start date. We request at least 2 business days' notice before the employee's start date, but earlier notice is preferred. We will work with you to identify a pool of candidates for each position. If we cannot provide you with a candidate, we will grant you a waiver to document your efforts to meet the Section 3 goals.

Union Contractors: OHA's Family and Community Partnerships department (FCP) has established a list of current OHA residents in construction trade unions that is sent to contractors on a regular basis. If there is no candidate that meets your hiring needs, you are encouraged to consider sponsoring an OHA resident who is not a member of a trade union to meet your Section 3 hiring goals.

Please contact **OHA's Dan Abrami at 510.587.5127 or dabrami@oakha.org** for a list of qualified residents, to request a candidate, or verify the Section 3 eligibility of any prospective hire. For more information about providing economic opportunities to OHA resident's contact:

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(a) The prohibition on the use of appropriated funds, in paragraph (i) of this section, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement, if the payment is for agency and legislative activities not directly related to a covered Federal action.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(c) The following agency and legislative liaison activities are permitted at any time only where they are not related to a specific solicitation for any covered Federal action:

(2) Professional and technical services.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the [contractor/seller]'s legal duty to furnish information.

(d) The [contractor/seller] will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the [contractor/seller]'s commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(g) In the event of the [contractor/seller]'s non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the [contractor/seller] may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(g) In the event of the [contractor/seller]'s non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the [contractor/seller] may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(h) The [contractor/seller] will include the provisions of paragraphs (a) through (h) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each sub[contractor/seller] or vendor. The [contractor/seller] will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the [contractor/seller] becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the [contractor/seller] may request the United States to enter into such litigation to protect the interests of the United States.

17. Equal Opportunity for Workers with Disabilities

1. The [contractor/seller] will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The [contractor/seller] agrees to take affirmative action to employ and advance in employment individuals with disabilities, and to treat qualified individuals without discrimination on the basis of their physical or mental disability in all employment practices, including the following:

3. In the event of the [contractor/seller] noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.

4. The [contractor/seller] agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, Office of Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the [contractor/seller]'s obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities.

The [contractor/seller] must ensure that applicants or employees with disabilities are provided the notice in a form that is accessible and understandable to the individual applicant or employee (e.g., providing Braille or large print versions of the notice, or posting a copy of the notice at a lower height for easy viewing by a person using a wheelchair). With respect to employees who do not work at a physical location of the [contractor/seller], a [contractor/seller] will satisfy its posting obligations by posting such notices in an electronic format, provided that the [contractor/seller] provides computers, or access to computers, that can access the electronic posting to such employees, or the [contractor/seller] has actual knowledge that such employees otherwise are able to access the electronically posted notices. Electronic notices for employees must be posted in a conspicuous location and format on the company's intranet or sent by electronic mail to employees. The term of this Contract shall begin on **[starting date]** and end on **[Contract ending date]**.

Contractor's Schedule of Performance is set forth on Exhibit .

If there are interim dates for deliverables, or a time line for tasks, that should be called out here. If that is lengthy and likely to be amended often, use an attachment.]

[For Option Years use below]

a. **Initial Term.** The Initial term of this Contract will begin on _____, and end on _____, unless earlier terminated as provided herein.

b. **First Option Term.** The Authority, at its sole discretion, may elect to extend the term of the Contract for the period of _____ through _____ ("First Option Term") by giving written notice to the Contractor prior to the expiration of the Initial Term, unless earlier terminated as provided herein.

For example: "The maximum amount payable under this Contract is Twenty-Five Thousand Dollars (\$25,000). Payment shall be made according to the schedule and terms described on Exhibit B, "Payment Schedule."
